A person registered under this Act who fails to pay the annual renewal fee on or before January 31 of each year shall be deleted from the list of persons duly registered to practice assessing in Texas according to the provisions of this Act. Persons applying for reinstatement within 30 days shall pay a penalty, not to exceed \$25, set by the board. Reinstatement thereafter shall be denied except on regular application and examination satisfactory to the board. The board may not waive the collection of a fee or penalty described under this Act.

BILL ANALYSIS

Relating to fees collected by state agencies.

Background Information:

The 67th Legislature authorized an interim committee by passage of S.R. 675, to study the fees collected by state agencies for certain specific and definable services, and to recommend desired changes. With cooperation from the staffs of the Legislative Budget Board, the Governor's Office of Budget and Planning, a representative from the State Auditor's office and Comptroller's office, and the agency involved, this study was made. It is the unanimous recommendation of the committee that the changes specified in this bill be made.

Problem(s) that the Bill Addresses:

Many years have passed since some of these fees for service were reviewed or changed, while costs to the state for delivering these services have clearly risen. One of the challenges facing the Legislature in this session is the problem of increasing need, in the face of decreasing revenue.

How This Bill Will Solve the Problem(s):

This bill helps to solve the problem by up-dating fees to more nearly cover the administrative costs in delivery of the service; further, in the area of fairness and equality where the fees were not designed for cost recovery, but for some other purpose, the inflation and cost of living increase that has occurred since the last reviewhas been taken into consideration.

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE

January 26, 1983

Honorable Ray Farabee, Chairman Committee on State Affairs Senate Chamber Austin, Texas

In Re: Senate Bill No. 58

By: Leedom

Sir:

In response to your request pursuant to Senate Rule 94, Subsection (g), this office finds the fiscal implications of Senate Bill No. 58 (relating to certain fees imposed by the Board of Tax Assessor Examiners) to be as follows:

The bill would make no appropriation but could provide the legal basis for an appropriation of funds to implement the provisions of the bill.

The bill, should it be enacted, would give the Board of Tax Assessor Examiners the authorization to set Register Renewal Fees at not to exceed \$35.00 (up from \$25.00) and to set the initial application fee at not to exceed \$50.000 (up from \$30.00).

Assuming that the board increases the fees to the authorized maximum amount, the fiscal implication of implementing the provisions of the bill during each of the first five years following passage is estimated as follows:

Revenue Gain to
the Assessor
Registration
Fund No. 160
\$46,000
44,000
44,000
44,000
44,000

Similar annual revenues would continue as long as the provisions of the bill are in effect. $\begin{tabular}{ll} \hline \end{tabular}$

No fiscal implication or additional cost to units of local government attributable to the bill, should it be enacted, is anticipated except to the extent that such fees are paid for individual appraisers by local governmental units.
